PerFusion Carpet and Upholstery Cleaner

900802

CLASSIFICATION:

Carpet and Upholstery Cleaner

SCOPE:

PerFusion is the perfect choice for cleaning carpet and upholstery with all types of extractors. PerFusion's fast, dual-action cleaning ability reduces time and labor by eliminating common stains such as coffee, tea and cola as well as cleaning everyday soils. PerFusion may be used in extraction machines, applied manually for treating stains, or used as a pre-treatment prior to extracting.

DIRECTIONS FOR USE:

For Industrial Use Only

Do not mix with anything but water. Do not use on wool.

Test a small, hidden area of material before using on rest of carpet.

Dilution ratio: 1:64 For Spot Removal

1:128 For Carpet and Upholstery Cleaning

Thoroughly vacuum or brush surfaces prior to cleaning. For prespray or spot removal, wet only the surface of the material to be cleaned. Let product dwell on surface 2-5 minutes. Wipe with microfiber or terrycloth towel, making sure to rotate towel as soils are removed. Carefully use upholstery brush on stubborn areas. Follow with dry towel if desired. For extraction, best results are obtained with heated water.

Consult your Ecolab Specialist or call 1-800-35 CLEAN (352-5326) for specific use directions, service, or additional information.

Formula Contains No Phosphorus

PRODUCT INFORMATION:

State Solid. (Powder.)

Appearance White.

Fragrance Odorless.

pH 10 (1%)

Hazard Rating (HMIS) **Health - 2** **Fire - 0** **Reactivity - 0**

STABILITY & STORAGE:

Shelf life of concentrate: 2 Years

Usage Notes:

Discard unused use-solutions daily.
