## **Product Specification Document**

# MEDI-SCRUB<sub>®</sub>

**CLASSIFICATION:** 

• Health Care Personnel Hand Wash

#### **PRODUCT DESCRIPTION:**

- **Medi-Scrub** is a mild Health Care Personnel Hand Wash containing 0.6% para-chloro-meta-xylenol (PCMX) as an antimicrobial active ingredient.
- Medi-Scrub contains aloe vera to help moisten and soothe skin during frequent use.

FEATURES AND BENEFITS:	
Feature	Benefit
0.6% PCMX active ingredient	Maximum antibacterial protection without irritation.
Skin conditioners and moisturizers	Protects skin against irritation. Eliminates dry, cracked skin that can lead to transmission of infection.
Lathers quickly, rinses freely	Lifts and suspends transient bacteria; minimizes residual lather that can cause irritation.

#### DIRECTIONS FOR USE: FOR EXTERNAL USE ONLY

- **Medi-Scrub** is formulated for use as an antimicrobial hand wash product. To use as a Health Care Personnel Hand Wash:
  - 1. Wet skin and spread a small amount of Medi-Scrub on hands and forearms.
  - 2. Scrub well, rinse thoroughly and dry.

#### **Precautions:**

• WARNINGS: Do not use in eyes. Discontinue use if irritation or redness develop. If condition persists for more than 72 hours, consult a physician.

#### **SPECIFICATIONS:**

#### **ENVIRONMENT & SAFETY:**

Hazard Rating

Health - 1 Fire - 0

Reactivity - 0

- The surfactants in **Medi-Scrub** will undergo primary biodegradation. This means that these ingredients are broken down into simpler compounds by natural biological action. This capability helps to eliminate suds and foaming problems in our lakes and streams.
- Safe to dispose in sanitary sewer with plenty of water.
- Polyethylene containers are a plastic that can be recycled.

#### **STABILITY & STORAGE:**

- **Medi-Scrub** remains effective for at least one year when stored at room temperature in an unopened container.
- Stable under normal conditions of use and handling.
- Do not mix with anything but water.

#### FIRST AID:

- Eyes Flush immediately with cool running water. Remove contact lenses, if used, and then flush again.
- If swallowed Rinse mouth; then drink 1 or 2 large glasses of water. DO NOT induce vomiting. Never give anything by mouth to an unconscious person.

#### IF IRRITATION OR DISCOMFORT PERSISTS, CALL A PHYSICIAN.
