
PREP PAK™

CLASSIFICATION:

- Powdered Floor Neutralizer/Conditioner

SCOPE:

- **PREP PAK** Neutralizer/Conditioner ensures proper adhesion and performance of floor finish by removing alkali stripper residue from floors before recoating.
- **PREP PAK** effectively dissolves ice-melt compound from floor surfaces before damage to the floor finish or tile can occur.
- **PREP PAK** removes lime scale from surfaces such as glass, tile, and metals. Brightens floor grout and cleans salt spray from marine surfaces.
- Eliminates malodors with no cover up.
- Use wherever alkalinity is a problem.

USAGE:

Directions for use:

TO NEUTRALIZE FLOOR STRIPPER RESIDUE prepare use-dilution by dissolving one packet (1/2 oz./14 g) in three-five gallons (11-18 liters) of water. After pick-up of stripping solution, mop a generous amount of **PREP PAK** solution onto floor. Pick up all solution. Follow with at least one clear-water rinse to remove neutralized residue. Let floor dry before applying finish.

TO REMOVE ICE-MELT COMPOUND, LIME DEPOSITS, HARD WATER STAINS prepare a use-solution per directions above. Mop a generous amount of use-solution onto floor, paying particular attention to areas with heavy salt build-up. Mop or wet vacuum dissolved salts from floor. Allow to dry. For vertical surfaces such as windows, use spray bottle and cloth towels.

FOR INDUSTRIAL USE ONLY

CHEMICAL PROPERTIES:

- pH 4-5
- Solubility in Water Complete

PHYSICAL PROPERTIES:

- Appearance Light reddish purple
- Fragrance None
- State Powder in PVA packet

ENVIRONMENT & SAFETY:

- Hazard Rating Health - 1 Fire - 0 Reactivity - 0
- Do not handle packets with wet hands.
- Do not mix with anything but water. Do not mix with chlorinated detergents or sanitizers; will cause hazardous vapors.

STABILITY & STORAGE:

- Stable under normal conditions of handling.

FIRST AID:

- **Eyes** - Flush immediately with plenty of cool running water. Remove contact lenses, if used, and then flush again.
- **Skin** - Flush skin with water, then wash with soap and water.
- **If swallowed** - Rinse mouth; then drink 1 or 2 large glasses of water. **DO NOT** induce vomiting. Never give anything by mouth to an unconscious person.
